Ages 6-8 or Grade level 1st, 2nd, 3rd 1:00 pm to 4:00 pm	Ages 11-14 1:00 pm to 4:00 pm

Week 1 - June 12 to 16

Super Mario Bros. & Friends

A Mario Bros summer camp is a fun-filled adventure for kids who love the world-famous video game franchise. At this summer camp, kids get to explore the colorful world of Mario and his friends through a variety of activities. Activities include Mario & Luigi hats, Mario Bros. Bingo!, and a glow-in-the dark dance party featuring our favorite character - Mario!

Week 2 - June 19 to 23

Imagination Station

Imagination Broadway Station is a fun and theatrical program that combines the art of puppetry with the excitement of traditional theater camp games. The camp is designed to inspire children's creativity, imagination, enhance their improvisational skills, and encourage their artistic acting abilities. Campers will learn how to think on the spot, play pretend, create their own puppets and performances.

Week 3 - June 26 to 30

Jurassic Quest

Jurassic Quest summer camp is an adventure that takes campers on a journey back in time to the age of dinosaurs. The camp is designed to immerse campers in the world of these prehistoric creatures and provide them with a hands-on learning experience. At the camp, campers will create their dinosaur art and crafts, such as making dinosaur masks or painting dinosaur figurines.

Week 4 - July 3 to July 7

Lego Builders Camp

Lego Builders summer camp is a fun and creative camp that combines the joy of building with

the beloved Lego blocks with the excitement of summer camp activities. At the camp, campers will have access to a wide variety of Lego blocks, pieces, and accessories to create anything they can imagine. They will learn how to build structures, vehicles, and characters, and how to make their creations come to life.

Week 5 - July 10 to 14

Justice League

Justice League summer camp is a thrilling and action-packed program that immerses campers in the world of superheroes and encourages them to become their own heroes. The camp is designed to inspire campers to develop their own unique powers, enhance their leadership skills, promote teamwork and collaboration. At the camp, they will have the opportunity to create their own superhero identities, costumes, and comic books.

Week 5 or 6 - July 10 to 14
or July 17 to 21

Virtual Reality Camp

Embark on an incredible journey of exploration and innovation at the VR camp powered by Reybotics! This immersive and engaging camp offers a thrilling blend of cutting-edge technology experiences. From piloting drones to diving into the world of coding, your child will develop essential STEM skills. They'll be captivated by the wonders of virtual reality and augmented reality, unlocking new dimensions of creativity and imagination. With a focus on hands-on learning and fun, our camp provides a nurturing environment for children aged 7-14 to discover their passion for technology while forging lifelong friendships. Join us for an unforgettable summer adventure and empower your child to become the innovator of tomorrow!

Week 7 - July 24 to 28

Aqua-Tastic Adventures

An aqua-themed summer camp is a fun and engaging program that centers around activities and experiences related to water. In addition to aquatic activities, the camp may offer other water-related experiences, such as arts and crafts projects that incorporate water themes, water games, and water-based science experiments. Overall, an aqua-themed summer camp is a refreshing and exciting experience that combines physical activity, environmental education, and fun in the water.

Week 8 - July 31 to August 04

Messy Art Experiments

A messy experiments themed summer camp is a fun and interactive program that is designed to encourage campers to explore science and creativity through hands-on experiments and messy activities. The camp is centered around creating a fun and stimulating environment where campers can learn about science in a unique and exciting way.
