Ages 6-8 or Grade level 1st, 2nd, 3rd
1:00 pm to 4:00 pm

Week 1 - June 6 to 10

The Amazing Castle Summer Camp

An imaginative world of play will come alive in a medieval village and castle, including a royal kitchen, puppet theater, garden, tailor's workshop, carpenter's workshop, blacksmith's workshop, the Dragon Tower, and more!. Children will experience what it is to be part of a community through playful experiences.

Week 2 - June 13 to 17

LEGO Mind Summer Camp

Enhance creative thinking by experiencing the process of turning an idea into a real design. Children of young ages will experience fun through learning, take on challenges according to their age ability, and feel empowered to go for more!

Week 3 - June 20 to 24

STEM for Kids Summer Camps

Energy, circuits, coding, digital arts, science of sound, sand and water sensory experiments, and many more science activities!

It's a great way to learn science outside of school! Grounding science learning with play-based and hands-on activities to make it relevant and fun for young children and enhance their understanding of the world around them.

Week 4 - June 27 to July 1

Messy ART Summer Camp

Sometimes a mess is necessary to create art! The arts foster creativity and innovation. Children will see themselves as inherently creative agents who can do, make and create art *and* have fun at the same time, being co-constructors of their environment and effective communicators.

Week 5 - July 4 to 8

Superheroes and Comics

During superhero play, children have opportunities to place themselves in different types of roles within a safe and caring environment. Superhero play gives young children opportunities to improve language skills, as well as practice problem-solving and cooperation with peers. By modeling the characteristics of resiliency and promoting kindness with peers during superhero play, children will be encouraged to be heroes to friends and family.

Week 6 - July 11 to 15

Girl Power! Summer Camp

Girls will enhance and gain confidence through fun art, science and play activities that empower self esteem. Through these activities, they will learn to establish healthy relationships with other peers through collaborative play and gain a better understanding of their potential.

Week 7 - July 18 to 22

LEGO World Summer Camp

The world of LEGO gives kids the opportunity to enhance creative thinking and experience the process of taking an idea and learning how to put it together piece by piece. There is no shortage of fun learning and challenging activities according to their age and abilities. It's a fantastic way to build a better sense of empowerment!

Week 8 - July 25 to 29

Encanto Summer Camp

A celebration of hispanic culture through magic, the abuelita figure, traditional toys and games, the Encanto Summer Camp is as informative and educational as it is fun. Based on the movie of the same name, kids can gain a better understanding of concepts like cultural heritage and mythology.

Week 9 - August 1 to 5

Star Wars Summer Camp

An entire galaxy of adventure awaits in the Star Wars Summer Camp! Kids have a perfect opportunity to connect space science activities to the imaginative and creative Star Wars science fiction universe, awakening the Force within them as they learn through hands-on activities and fun play.
